# Con-Artist

## Charles Bronson

### Edited by Mark Emmins

Regarded as the UK's most violent prisoner, Charles Bronson has served 34 years in UK prisons, 31 of which have been in solitary confinement.

Over the last decade, Charles has successfully turned his life around, and this book celebrates those ten years of his life, not just as a prisoner, but as an artist, a poet and an acclaimed author. Bronson 'the artist' is denied many of the things that we take for granted each day, and yet he manages to draw and create masterpieces from his mind. He is now looking forward to the day when he is released back into our world.

Charles has become a household name over the years for all the wrong reasons. Here, Charles lets you into his world and describes his reasons for some of his hostage situations, never before discussed. The book also coincides with the release of *Bronson* a feature film about his life.

**About the editor:** Mark Emmins, a musician and author, has become a close personal friend to Charles Bronson. He now wants to prove to the world that there is a lot more to Charles than is portrayed in the media, that he has changed and mellowed and has become an acclaimed author and artist.

**PUBLICATION DATE** 19 December 2008
