BLOOD IS THICKER

Heather MacQuarrie

Will the ghosts of the past ever be laid to rest?

Twenty-five years on, the fallout from the thwarted love affair between Susan Summers and Jonathan Ashby continues to affect the lives of others in *Blood is Thicker*, this third novel in the 'Voice from the Past' trilogy. Georgia Shaughnessy in particular now finds herself in a quandary.

Stunningly beautiful, vivacious and outgoing, Georgia, a Belfast girl living in London, is blissfully happy in a stable, loving relationship – until she inadvertently stumbles across some disturbing information about her boyfriend.

“Georgia froze as the two voices behind her continued to discuss the man she loved in the most derogatory terms.”

Catch up with Charlotte and Neal, Suzy and Ralph and other favourite characters from the first two books and see how Georgia's life becomes inextricably intertwined with theirs as she struggles with her conscience in a desperate attempt to save her relationship.

“Trouble was definitely brewing; she could feel it in her bones.”

This family drama will be enjoyed by readers of contemporary romance fiction and those interested in the psychology of relationships. Maggie O' Farrell, Hilary Boyd, Lisa Jewell and Jill Mansell have all influenced Heather's writing style.

HEATHER MACQUARRIE was born in Belfast, Northern Ireland and now divides her time between her home there and her holiday apartment in Portugal. She is happily married to Ross and they have two sons and one young granddaughter. Heather recently left a long career in teaching to pursue other interests and concentrate on her writing. *Blood is Thicker* carries on from Heather's first two books – *A Voice from the Past* (Matador, 2013) and *In the Greater Scheme of Things* (Matador, 2014)
